on the Genl. Deptt for
issue of necessary orders
& the said road being taken
over by the City municipality for
future maintenance.

(3) The Presdt.
was then asked to submit the
views of the Commissioners
on the proposed transfer

The Board resolved
as follows:-

"That the municipality
take over charge of the
above road and main-
tain it in the usual
course"

While submitting the
above resolution, the Presdt.
suggests "for the favourable
consideration of the Govt:-"
that the old "Victor Road

that by adopting this course
there will not only be an appre-
ciable saving to the Mcty in
the surroundings of the Memorial
Hall will be improved as well

General and Revenue Departments,

SIR,

With reference to Government Proceedings no 13881-82/L.J 264-93 dated 17th April 1901, requesting to state whether the Municipality is prepared to take charge of and maintain from its own funds, the road called Curzon road, I have the honor to state that the Board have consented to take charge of the road in question and meet the cost of its annual maintenance from the Provision under the head VIII P.W of the Budget; a copy of their resolution is herewith submitted for reference.

In this connection, I beg to submit for the favourable consideration of the Government, that this road

another road called Victor road, running parallel to the Cuttyon road. While keeping open the latter, the other road may advantageously be closed and added on to the Memorial Hall Compound, thus relieving the Municipality of maintaining both the roads unnecessarily. A tracing showing the position of both the roads, is herein enclosed for reference. If the portion marked in red ink be added on to the Memorial Hall Compound, not only will there be an appreciable saving to the Municipality, but the surroundings will also be improved
